№ 01-13/12 from 07.02.2008.

**ACADEMIC STATUS APPROVAL**

Ivanovo State University of Chemistry and Technology (ISUCT) confirms, that Galiaskarov Edward Gennadevich, PhD of Chemistry, is an university professor and works in ISUCT since September, 1991.

**Education (degrees, dates, universities)**

- 1997 Ph.D., Physical Chemistry (supervisor Prof. V.V.Rybkin)  
The Ivanovo State Academy of Chemical Technology  
1991 Engineer of Chemical Technology of Electronic Devices and Materials  
The Ivanovo Institute of Chemical Technology

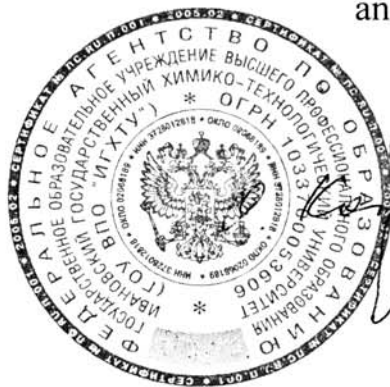

**Career/Employment (employers, positions and dates)**

- 2000- Associate Professor, Department of Computer Sciences and Computer Facilities;  
1999-2000 Assistant Professor, Department of Electrical Engineering;  
1997-1999 Senior Teacher, Department of Electrical Engineering  
1994-1997 Teaching Assistant, Department of Electrical Engineering  
1991-1994 Junior Scientific Worker, Department of Chemical Technology of Electronic  
Devices and Materials;

**Specialisation (specify) Engineer of Chemical Technology**

- (i) teaching in high school undergraduate courses about theory and practise of  
computer sciences & software engineering  
(ii) current research interests Low-temperature nonequilibrium gas discharge plasma  
and its application

Rector,  
Professor

Koifman O.I.
