

Сведения об оппоненте по диссертационной работе
Коптяева Андрея Игоревича

Фамилия, имя, отчество	Ученая степень, ученое звание, шифр научной специальности	Место работы, должность, структурное подразделение	Контактная информация
Басова Тамара Валерьевна	доктор химических наук, профессор РАН 02.00.03 – органическая химия	ФГБУН Институт неорганической химии им. А.В. Николаева СО РАН, лаборатория химии летучих координационных и металлорганических соединений Главный научный сотрудник	г. Новосибирск, 630090, проспект академика Лаврентьева, д.3 8-383-3309556 basova@niic.nsc.ru

Научные публикации по специальности оппонируемой диссертации в рецензируемых научных изданиях за последние 5 лет:
